ADDENDUM #1
BID # 06ITB47375YB
Laptop Computers
Fulton County, Georgia

November 7, 2005

Dear Vendors:

This addendum is in reference to Invitation to Bid Number 06ITB47375YB, for furnishing the Fulton County Information Technology Department with laptop computers.

This addendum is for the purpose of answering questions from interested vendors:

1. Disk image supplied by Fulton County must be factory installed on all units. Will my company or the manufacturer of the units be responsible for installation?

It can be either.

2. Do I have to submit a EBO Plan when I submit my bid or when I win the bid?

The Equal Business Opportunity Plan has to be submitted when bid is submitted.

3. For the item 29, what OS do you mean by? **What we mean is the laptop must come with an OS that is valued by Microsoft in such a way that we can without cost upgrade it to the most current Windows version and still be in compliance.**

4. For the item 12, there are few laptop models equipped with a parallel port. Therefore, can I substitute a Port Replicator for it. **The ITB calls for a parallel port—you may substitute at your own risk of being non-compliant-note in the exceptions section why you are substituting.**

5. What are you currently paying for the laptops you're purchasing now?

\$1,271.18

6. On page #5 of the Bid Info package line #7. Fidelity Bond (Employee Dishonesty) each occurrence \$100,000.00. I just spoke with our corporate headquarters and I have been informed that we don't carry this component in our coverage.

My question is will this component hinder CompUSA from meeting the requirements for placing a bid?

According to the "Required Minimum Specifications - Item 26," the selected vendor will be required to provide "onsite next business day warranty service."

If the selected vendor will be required to provide service on County property, the Fidelity Bond requirement shall apply.

7. Are we allowed to submit more than one bid offer for this product?

Your company cannot submit more than one bid, but you can submit alternate products within the one bid response that you submit.

8. 1.) Is a 14" screen preferred over the 15" screen? **Specification reads 14" minimum**

2.) Will an integrated 802.11 b/g wireless with built in antenna be acceptable over an integrated 802.11 a/b/g configuration? **Specification reads a/b/g wireless**

3.) What is the configuration that Fulton County has been purchasing?

Dell Latitude 1610

4.) What is the price that Fulton County has been paying for that configuration?

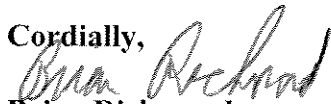

\$1,271.18
